SSAT High School Prep Exam / Extra! New! SSAT: Limited to 5 students!

Bone up on strategies, tips and test taking skills for the SSAT. The study sessions will use practice exams and questions to cover the major areas of the test: Mathematics, Vocabulary and Reading Comprehension.

Homework Club staff will incorporate as many SSAT vocabulary words into the 9-hour course as possible. Every math problem is reviewed with the students for "favorite mistakes".

The Homework Club's SSAT class schedule – 491-0142 2003 – 2004 Testing Schedule

Choose the sessions that work for your schedule.

Prep A = Math

Prep B = Language Arts

Practice exam dates are coordinated around the actual SSAT Exam Dates
